AMEX

The image shows a stylized logo for 'AMEX' centered within a rectangular frame. The frame is composed of a thick black border and two horizontal lines that divide the interior into three sections. The top and middle sections are empty, while the bottom section contains the text 'AMEX' in a bold, black, sans-serif font. The letters are slightly shadowed, giving them a three-dimensional appearance as if they are floating above the bottom surface of the frame.
